

SMS PROJECTOR CL V

Taking your projector to new heights.

SMS Projector CL V is our flagship projector bracket (and probable the most-sold in Europe). Elegant, functional and very reliable.

It's easy to adjust the length and angle of the bracket. SMS Projector CL V holds your projector upside down – it's the best way to get the most out of your projector. The catchword for this ceiling bracket is “easy”. Easy to install, easy to adjust and easy to like.
